Re: Bid waiver for Apple lease/purchase agreement – June 20, 2013

Our legal counsel has advised that technology purchases made through our leases should also be bid or bid waived.

The purchase of equipment from Apple Inc. totals \$56,100 through the Apple lease renewal. The unit price quotes were obtained directly through Apple Inc. and at the State of Connecticut contract pricing. This is specific Apple equipment and this is the best pricing available to the Bethel Board of Education. Therefore we are waiving the bid process.

Motion: The Board of Education waives the bid process for the Apple Inc. purchases made through the Apple lease agreement renewed May/June 2013
