5. New Course Proposal - Conversación y composición Cine (Film Course for Spanish)

Discussion:

The course is designed for students who take AP Spanish in the junior year, but then have no other courses to take in Spanish in order to maintain their skills before college. It is also an appropriate course for students who want to take another high level Spanish class, but they do not want to take the Advanced Placement option.

Students will be able to take the course for WCSU credit.

Motion Passed: Move to recommend the new course proposal entitled **Conversación y composición Cine** to the full Board for approval. Passed with a motion by Mrs. Robin Renner and a second by Mrs. Melanie O'Brien.
