

Ad-Hoc Transfer Station Committee

Minutes of Special Meeting

Thursday October 14, 2010
CJH Municipal Center – Meeting Room “A”

Present: D. Brown, J. Novacheck, T. O’Leary, Jr., D. Olson, P. Szatkowski, *ex-officio*

Absent: R. DiMatteo, J. Kenausis, K. Riley

Also in attendance: Mike Flanagan and Todd Britton, Bethel Transfer Station Staff

Chairman Olson called the meeting to order at 7:05 pm.

Minutes of September 13th meeting were approved

Composting Discussion

Mr. Robert Rybnick, Jr., Arrow Recycling explained his local operation for recycling logs, stumps and brush. Committee discussed possible alternatives to the current Transfer Station process of hauling leaves and brush to out of town sites. Transfer Station staff will compile tonnage information for leaves as well as logs and brush. During the discussion it was identified that logs and brush are received from Town highway vehicles as well as from permit holders.

Transfer Station Expansion Proposals

Representatives of Bethel Processing & Recycling, LLC presented their proposal for expanding the Transfer Station and operating the expansion. Members of BRP, LLC included Mr. P. LoPresti, Jr. and Mr. J. LoStocco. Mr. David Brown, P.E. of Project Management Associates, LLC also participated in the presentation.

The presenters were advised that no decision would be reached that evening and, in fact, public hearings will be held prior to the BOS deciding on any recommendations made by the Committee.

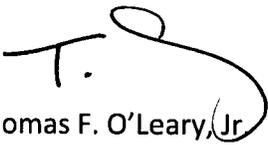

Committee Discussion

Following the presentation from BPP, LLC and the ensuing dialogue, the committee discussed the proposal and the possibility of expanded operation. The current agreements with HRRRA will be reviewed in more detail and the applied – for permit will be reviewed with the Town Engineer for suitability.

Next Meeting: Tuesday, October 26, 2010

Meeting adjourned at 9:40 pm

Respectfully submitted,

Thomas F. O’Leary, Jr.
