**INLAND WETLANDS COMMISSION
JULY 21st , 2014 – 7:00 P.M.
BETHEL MUNICIPAL CENTER
MEETING ROOM D**

RECEIVED

2014 JUL 23 A 10: 29

TOWN OF BETHEL
TOWN CLERK

COMMISSION MEMBERS PRESENT: D. Goodrich; P. Perrefort; L. Ferguson; P. Samardak; J. L'Herriault; and B. Cavagna, Inland Wetlands Agent.

D. Goodrich called the meeting to order at 7:30 p.m.

SANDVIK CORPORATION, WOOSTER STREET, REMEDIATION WITHIN THE WETLAND AREA

Present for the applicant was Peter Vasiliou, Licensed Environmental Professional. He stated that back on June 24, 1996 there was a permit issued for HRP to do the remediation work but it was never finished. They were hired to go in and finish it under the Correction Active Program. They were already approved by DEP for remedial action plan. This parcel being worked on is entirely in the upland review area. They are removing 450 tons of contaminated soil and will replace it with a loam or a northeast wetland mix. No machines are proposed to be in the wetlands. They will install a third well with an electrical pump. The commission wants an orange fence with haybales in between where the well is installed and the wetlands.

Motion made by D. Goodrich and seconded by P. Perrefort to accept the application as complete. Motion passed unanimously.

D. Goodrich continued this application until the next meeting of August 11, 2014.

MINUTES

Motion made by D. Goodrich and seconded by P. Perrefort to accept the minutes as presented. Motion passed unanimously.

Motion made by D. Goodrich and seconded by J. Therriault to adjourn the meeting at 7:41p.m. Motion passed unanimously.

Respectfully submitted:

Coleen Cote'
