Any town resident without prescription coverage can use this program. Even if you have insurance for prescription drugs, you may still benefit from the discount card, since it may save you money on prescription drugs your existing plan does not cover.

Everyone is eligible!

- No income requirements
- No age requirements
- Unlimited use for the whole family

The Town of Bethel Prescription Discount Card is:

Valuable. Save an average of 45% off the pharmacy's regular price on all common prescriptions.

Simple. No claim forms or annual fees are needed.

Convenient. More than 55,000 participating retail pharmacies nationwide including all national pharmacies: CVS, Rite-Aid, Stop and Shop, Big Y, Wal-Mart, and Walgreens. Local pharmacies can also participate.

*This plan is not insurance.
Savings are only available at participating retail pharmacies.*

As the First Selectman of Bethel, I am very happy to share with you a free prescription discount card program. It's a pleasure that local government can bring our citizens a benefit without a cost connected to it.

The Town of Bethel can do this by partnering with the Connecticut Conference of Municipalities (CCM) and ProAct, Inc. By using the ProAct Discount Prescription Card, it is estimated that you can save about 20% on brand name drugs and up to 70% on your generic prescription purchases when using this discount card. If you already have prescription drug coverage, you can use this card for discounts on prescriptions not covered by your insurance plan.

- It can be used as often as needed.
- It can be used for veterinary prescriptions for your pet.

Sincerely,
Matthew S. Knickerbocker
First Selectman
