SERVICES FOR FOG PROGRAM**

**REQUEST FOR PROPOSALS (RFP)  
FOR INSPECTION SERVICES FOR  
THE FATS, OILS, AND GREASE (FOG) PROGRAM PROJECT  
RFP Issued: September 6, 2017**

**Bids are Due on October 4, 2017**

The Town of Bethel is seeking a technical service provider to inspect all of the Class 3 and Class 4 food service establishments in town, prepare inspection reports and enforcement letters for the Town's review and comments, take pictures, conduct follow-up visits, conduct public education, coordinate with the Town of Bethel Utility Department, Health Department and Building Department to ensure compliance with the Municipal Code. The inspection data/information will need to be entered into the Town's GIS Asset Management System. The technical service provider will need to update the table of FSEs to add or delete FSEs as necessary since some of the establishments close and open throughout the year. The information in the table is based on SFY 16-17 Bethel Health Department Licensed Food Service Establishments (FSE) Class 3 & 4 Fiscal Year: July 1 2016 - June 30, 2017.

Please call the Town of Bethel Department of Public Works at 203-794-8549 to receive the full RFP and submit bids to the Town of Bethel, Public Works Department, 1 School Street, Bethel, CT 06801 by the October 4, 2017 deadline.
