ADDENDUM No. 1

To

Request for Qualifications Town of Bethel / Bethel Public Utilities Commission Water System Engineering Services

Issued January 16, 2020

RFQ Due: January 23, 2020

Questions received and response to questions received regarding the Request for Qualifications, Town of Bethel / Bethel Public Utilities Commission, Water System Engineering Services:

Question 1:

Can the following documents be outside of the 30 page limit: Covers and Section Dividers, Financial Statements, Project Team Resumes.

Response:

These items can be outside of the 30 page limit.

Question 2:

We assume that 1 page is counted as 1 sided page on a printed page. Please clarify.

Response:

One page will be counted as one side of a printed page. Thus, a front and back side will be counted as two pages.
