TAG	REC'D FROM	QUESTION	RESPONSE
RFI-001	General	Substitution requests	There will be no substitution review prior to full bid submission reviews
RFI-002	School Specialty 5/6/2020	Item#N-3. Safco doesn't have a 7 gallon white step lid trash can. They have a stainless steel 7 gallon or a 4 gallon white trash can. Which one do you want for both bids?	Stainless steel finish is acceptable in lieu of white for N-3 item 7 gallon step lid trash can
RFI-003	School Specialty 5/5/2020	Item#MS-8 is not on the part where I fill in the cost along with the quantity but it is in the spec sheet part that was provided. Do you not need a bid price for MS-8?	Bid not required for item MS-8
RFI-004	HCONE International 4/30/2020	Hello can you please provide the size of the Pirouette Round Nesting Table (T-2)	The size for item T-2 should be as follows: 42" Diameter and 28" Height
RFI-005	HCONE International 5/3/2020	Missing on the price sheet is CH-6P AND CH-7P	The items CH-6P and CH-7P are included on the price sheet for Johnson, but not Rockwell. These items are only specified for Johnson and therefore did not appear on Rockwell's bid form. IDS Sheets deleted from Rockwell.
RFI-006	INSALCO Corp. 5/11/2020	<p>1. For Johnson, can you please clarify the correct model number for the Lesro table item T-11?</p> <p>2. For Johnson, the specified fabric for Steelcase guest chair CH-3 seems to be proprietary to that manufacturer and is a grade 2 for them. If submitting an alternate, can the manufacturer of that fabric be clarified or would another grade 2 blue fabric with similar abrasion levels be acceptable?</p> <p>3. For Johnson, page 206 is the specification sheet for Wenger risers item MS-8, however there is not a MS-8 on the itemized bid form. Is MS-8 needed?</p>	<p>1. Lesro Model number is MG1285T5</p> <p>2. Yes, another grade 2 blue fabric with similar abrasion levels be acceptable.</p> <p>3. Bid not required for item MS-8</p>

TAG	REC'D FROM	QUESTION	RESPONSE
		<p>4. For Rockwell, pages 167 and 169 are specification pages for Paragon chairs items CH-6P and CH-7P respectfully. They appear to be the same model as CH-6B and CH-7B but in different finishes. There is not a and area for either CH-6P or CH-7P on the itemized bid form. Are these needed and if so, can you clarify the quantities for each?</p> <p>5. Is there a bid bond required for either bid?</p>	<p>4. The items CH-6P and CH-7P are included on the price sheet for Johnson, but not Rockwell. These items are only specified for Johnson and therefore did not appear on Rockwell's bid form. IDS Sheets deleted from Rockwell.</p> <p>5. Bid bonds are not required.</p>

The lowest qualified bidder will be determined by the Public Site and Building Committee and the Town of Bethel Procurement Committee
RFI-009	Ambrose Industries 4/29/2020	Was this bid posted to the nationwide free bid notification website at www.mygovwatch.com ?	No.
RFI-010	Ambrose Industries 4/29/2020	Other than your own website, where was this bid posted?	As required by CT DAS Office of School Construction Grants & Review, the RFQ/P was posted to the Town of Bethel website and CT DAS portal.
